Big hands make me nervous.
Ugh, I'm so excited that my chest hurts.
And that's when...
If I'm not mistaken...
I had a big hand too at that time.
.....

I had a dream.
I saw it.
And later,
part of the dream became reality.
This time again,
when I reached tenpai with a big hand,
Just like before,
Does this mean that what I've seen now will also become real...?
If I remember correctly, I was at school on a Saturday.
Hmm
